GOLF TOURNAMENT

**KEEP VIRGINIA BEAUTIFUL
IS A 501(C)(3) ORGANIZATION**

SPONSORSHIP OPPORTUNITIES

About Keep Virginia Beautiful

We engage and unite Virginians to improve our scenic and natural environment through shared responsibility to end littering, improve recycling, and beautify communities.

For 70 years, we have empowered individuals and groups to engage in environmental improvement projects through events, contests, grants, and collaborative partnerships. These collective efforts aim to ensure that Virginia stays clean, green, and beautiful for generations to come.

Keep Virginia Beautiful is a state affiliate of Keep America Beautiful.

In celebration of our 70th Anniversary,
we partnered with Tech for Troops.

About Tech for Troops

Tech For Troops is dedicated to empowering Veterans with computers, skills, and Information Technology (IT) work force training.

Tech For Troops supports veterans by collecting used technology that would usually end up in landfills, then refurbishing the laptops and other devices. They provide the reloaded technology, along with training, to veterans in need for low or no cost.

Attendees, local businesses and individuals are encourage to bring old electronics to the tournament to be recycled.

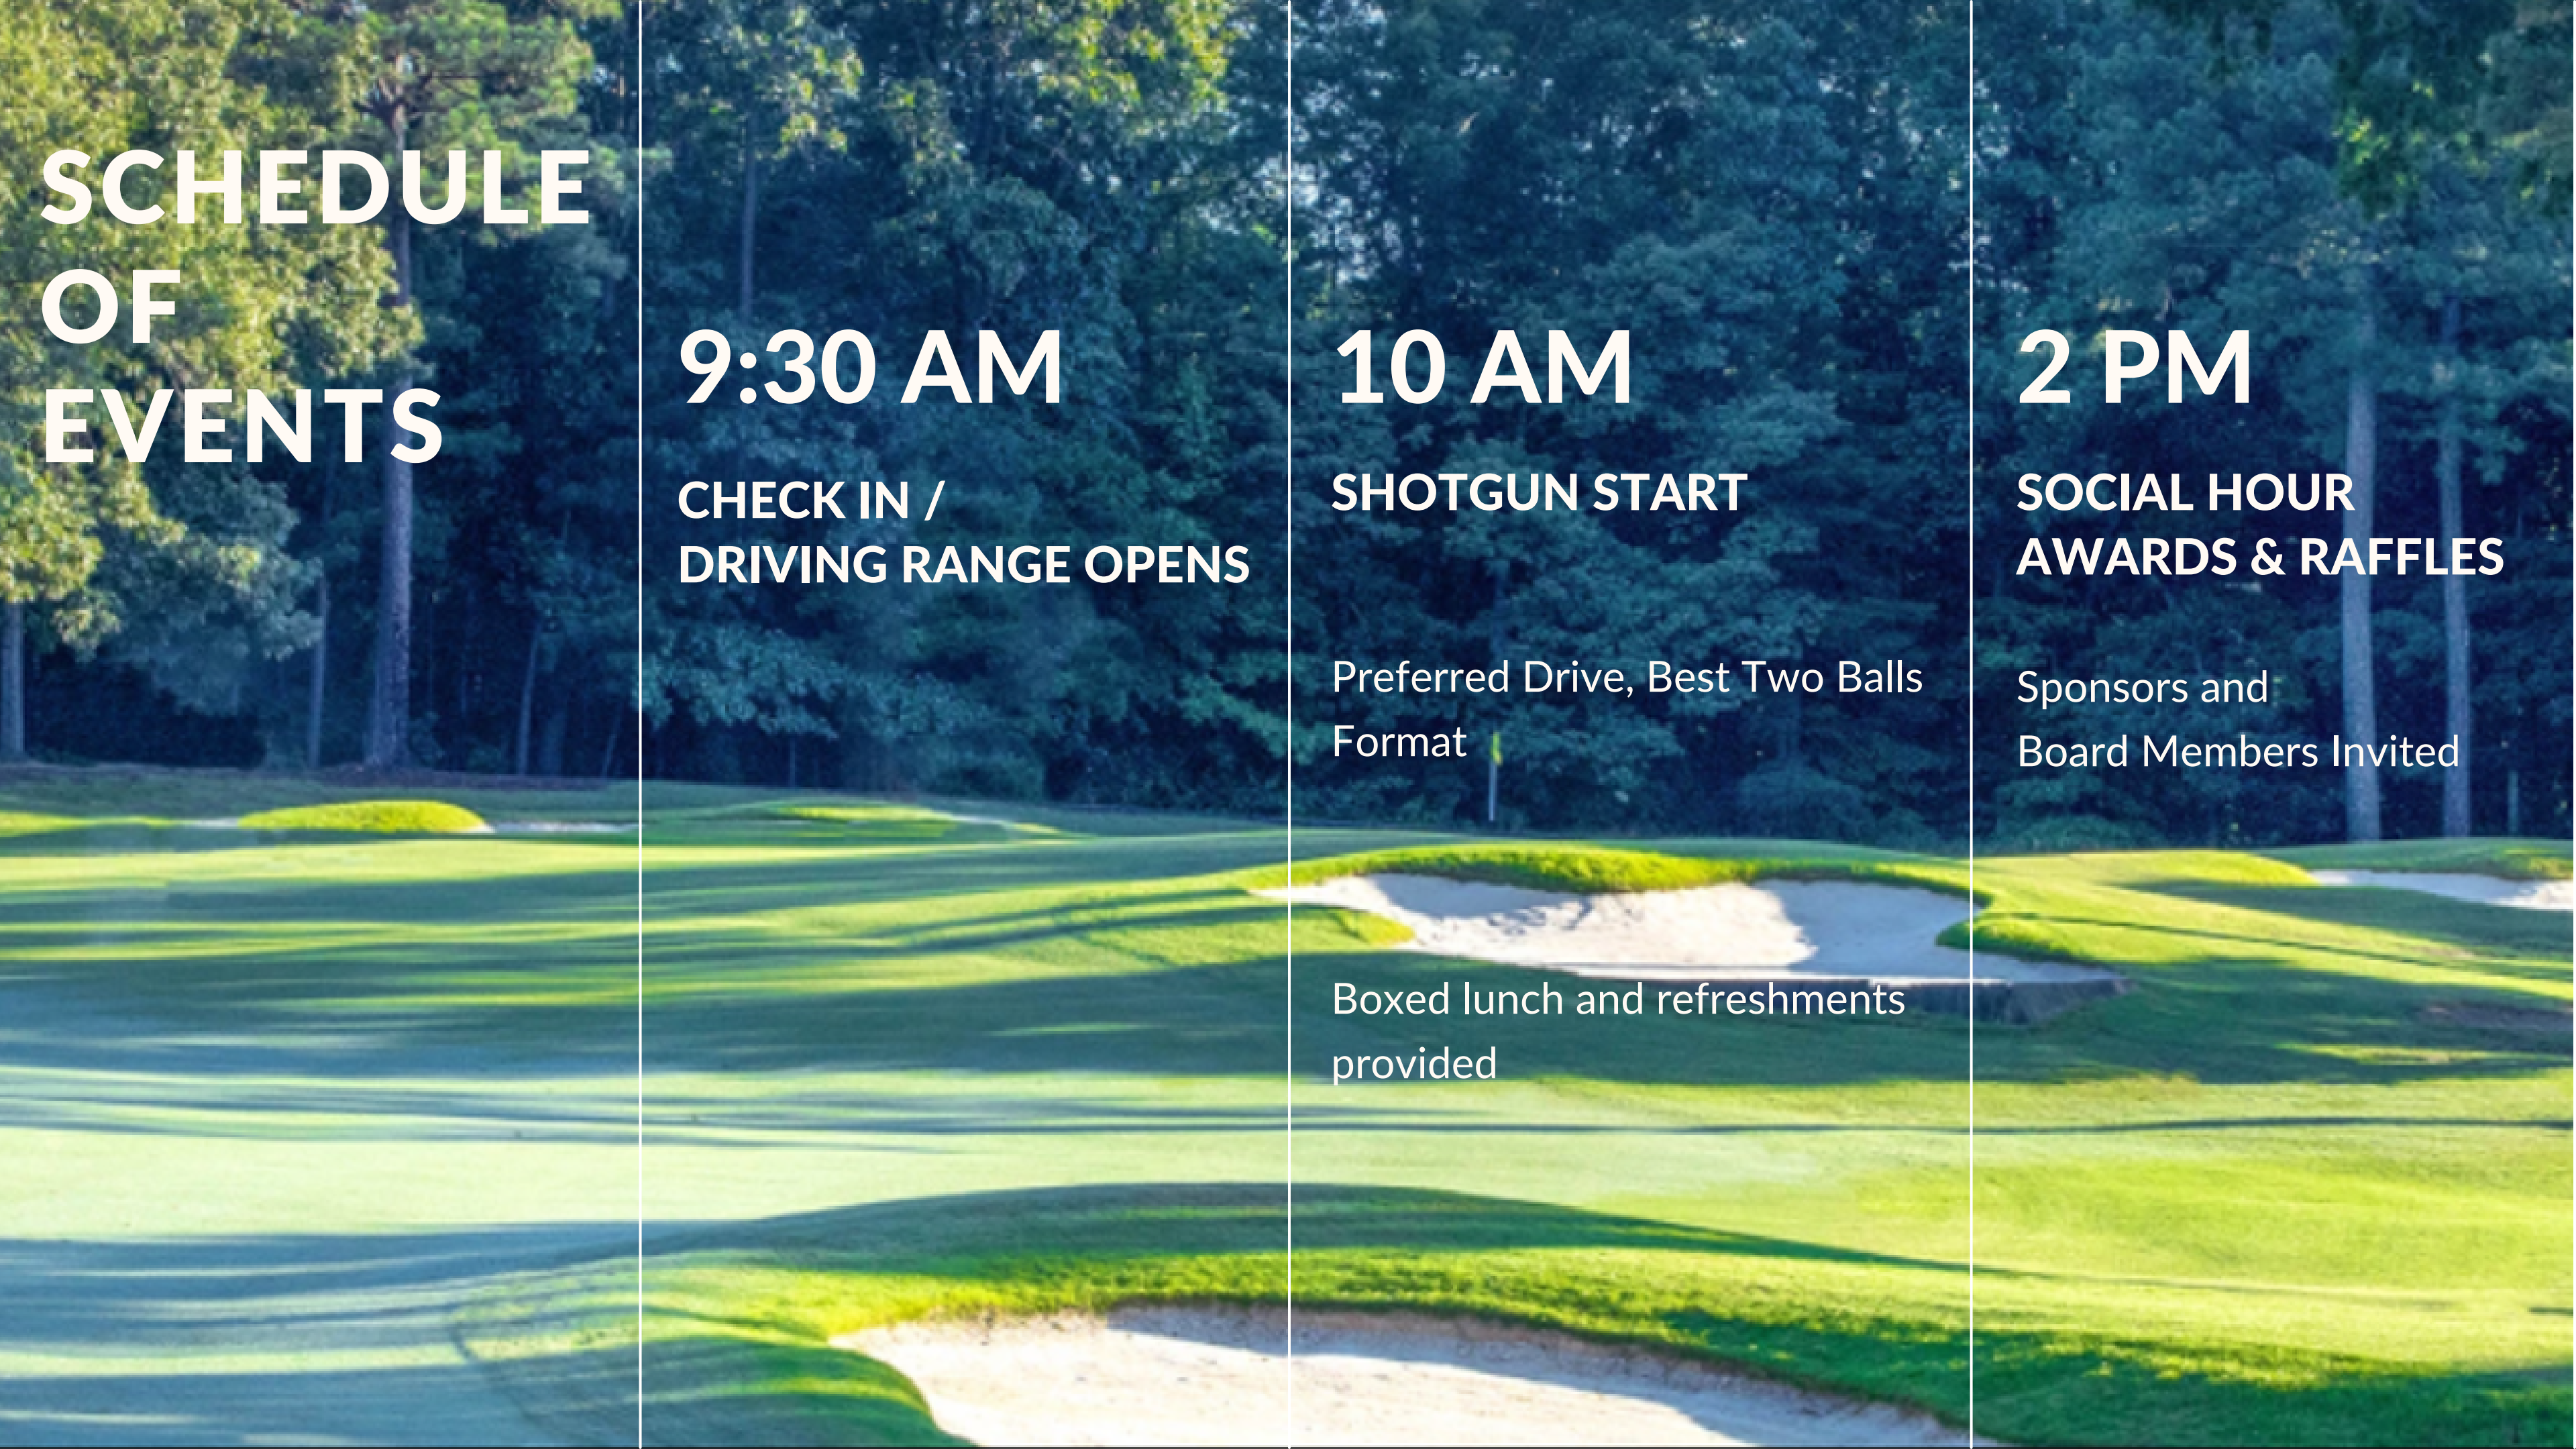

12th Annual Golf Tournament

The Keep Virginia Beautiful Golf Tournament came to fruition as a way to raise much needed funds to continue and grow our mission. We wanted to bring an aspect of fun and enjoy the natural beauty of our surroundings.

Held at Stonehenge Golf and Country Club, an 18-hole championship course, the tournament is Preferred Drive, Two Best Balls Format. Prizes are awarded to 1st, 2nd and 3rd place teams. For added fun, golfers can enter to win the putting contest, longest drive and closest to pin at four different holes.

Prizes are awarded and raffles are drawn during our social hour/reception, where we invite our sponsors and board members to join us for drinks and refreshments to wrap up the tournament.
